About the Alumni Advisory Board

The Alumni Advisory Board contributes to the development of the institutional alumni engagement strategy and endorses and embraces the same long-term strategic directions shared by the university and the Advancement Office, specifically:

- Building a strong sense of community amongst alumni and between alumni and the university
- Contributing to enhance the reputation of the university
- Expanding alumni engagement with alumni and with current and future students
- Supporting and celebrating alumni philanthropy

The Board acts on behalf of and in support to the Alumni Association.
